ABOUT ME

I am a passionate and results-driven Computer Science and Engineering student at Koneru Lakshmaiah University with a strong foundation in Python, Machine Learning, Deep Learning, and Cloud AI/ML. I have hands-on experience in building intelligent solutions using cutting-edge technologies. My expertise spans across software development, cloud computing, and data-driven decision-making. I am eager to contribute my skills to innovative projects and collaborate with industry professionals to drive technological advancements.

EDUCATION

2022-2026	Koneru Lakshmaiah University Bachelor of Technology in Computer Science and Engineering, CGPA: 8.9	Guntur, Andhra Pradesh, India
2020-2022	Narayana Junior College Board of Intermediate Education, CGPA: 9.21	Vuyyuru, Andhra Pradesh, India
2019-2020	Viswabharathi High School Board of Secondary Education, CGPA: 10.0	Gudivada, Andhra Pradesh, India

PROJECTS

Java-Full Stack	Managing Student Extracurricular Activities - Extracurricular activities play a crucial role in a student's overall development, fostering skills such as teamwork, leadership, time management, and creativity. Effective management of these activities ensures that students can balance academics and extracurricular involvement without undue stress. - Developed with 3 modules: Admin, Student, Faculty. Technologies: HTML, CSS, SpringBoot, React.js, Hibernate, MySQL.	Sep 2024 - Dec 2024
Python-Full Stack	Online Blogging Platform I developed an online blogging platform using Python and Django, enabling users to create, edit, and publish posts seamlessly. The project features dynamic commenting, real-time notifications, and robust user authentication through RESTful APIs, all backed by a scalable PostgreSQL database. Divided into 4 modules: Registration, Authentication, and Profile management. Technologies: HTML, CSS, React.js, MySQL, Django.	Aug 2023 - Dec 2023

SKILLS

Languages/Frameworks:	Java, HTML, CSS, SpringBoot, ReactJS, Node.js, JUnit
Database:	MySQL, PostgreSQL
Core Subjects:	Data Structures, Algorithms, Operating Systems, DBMS
Tools:	Visual Studio, React.js, Eclipse

CERTIFICATIONS

- Salesforce Certified Associate AI
- Oracle Certified Foundations Associate
- Avaitrix Ceritified Multi Cloud Associate
- Essential Automation Professional by Automation Anywhere

GLOBAL RECOGNITION

. Hacker Rank Profile . LeetCode Profile . Codechef Profile
